MARK DONNELLY – MR. O CANADA is famous amongst Canucks fans for his heroic renditions of the Canadian and American anthems. Now, to celebrate the release of their holiday CD, **MARK DONNELLY AND THE DONNELLY FAMILY** will perform seasonal favorites with stunning vocals and arrangements.

MARK DONNELLY is an accomplished choral conductor and arranger. He began directing church choirs as a teenager and continues to do so. He has also appeared in the hit tv series **Psych**.

It is impossible to talk about the **DONNELLY FAMILY** without talking about music. It has always been a dominant part of family life. The three eldest Donnelly children have grown up singing along, earning them years of vocal experience. Colleen’s beautiful soprano voice and vivacious personality have won her many accolades. Theresa hits you with a rich mezzo voice. Sean is a lively “tenortone” like his dad.

Bring your family and enjoy all of your favourites. Don’t miss this magical night with the fabulous **MARK DONNELLY** as he comes to the Clarke Theatre in Mission. For more information on this great artist, please visit www.markdonnelly.ca
